For discussion purposes, here is a proposed agenda. We are exploring a larger venue in the area now. Any idea how many total we should expect?

We need to have a meeting ASAP to discuss how to move ahead on this workshop. I'll get some info from Peter and team on support resources.

I'd like to discuss prelim issues like location structure capacity content logistics registration etc.

I'm hoping Jim & Megan can take the lead in close coordination w others.

Jane pls schedule.
